**TUES. APRIL 23RD - AWARDS NIGHT – OPEN
TO FRIENDS AND FAMILY 7:00 PM**

LODGE CLEAN UP DAY - SATURDAY JUNE
29TH 8:30 AM – 11:30 AM

Automated External Defibrillator

The Brookside Temple Company installed a Philips HeartStart FRx AED above the drinking fountain. Annually the AED (automated external defibrillator) is subject to preventive maintenance and refreshed operating supplies.

The good news is that the AED is simple to operate. To help keep visitors and members safe, please watch the 3-minute product demonstration for adult applications.

For your continuing good health and safety!

Brother Bob Kashary

Trustee and Safety Committee

Chairman, Brookside Temple Company

The Brookside Temple Company – Lodge Cleanup Day

Each summer, the brethren of Parkside Lodge #736 perform some light clean-up projects at the Temple.

This year we meet on **Saturday, June 29th**
Start the day with breakfast around 8:30am
Finish a productive morning at 11:30am

Building Manager Tim Barton provides us with a list of simple projects to be completed.

Please add this date to your calendar, and stand by for future announcements and reminders.

Fraternally – Tom Coy, President

FROM THE EAST

Congratulations! Parkside Lodge on a great inspection. Thank you to all who absolutely presented a great ritual. Everyone was great. As we move forward in the Lodge Year, we have Awards night on the 23rd. Please invite your friends and family to join us.

2023 Hard at work????
